What time am I supposed to arrive?

We ask that you arrive 45 minutes prior to the procedure time you were given.

If you are unsure, please contact us during business hours at the location where your colonoscopy is scheduled.

When do I take my prep?

You will begin your prep 5 days prior to your procedure, please refer to the [Colon Prep Instructions](#)

The prep is causing nausea and vomiting. What should I do?

You may need to slow the pace of your drinking.

How long before my procedure do I need to stop eating/drinking?

Please see the [Colon Prep Instructions](#)

Prep questions:

○ When do I start my prep?

The prep process begins 5 days prior to screening colonoscopy, please see [Colon Prep Instructions](#) for more details

○ What if I haven't been on clear liquids?

Please contact the physician's office that is assigned to your colonoscopy

○ Can I use red/purple Gatorade?

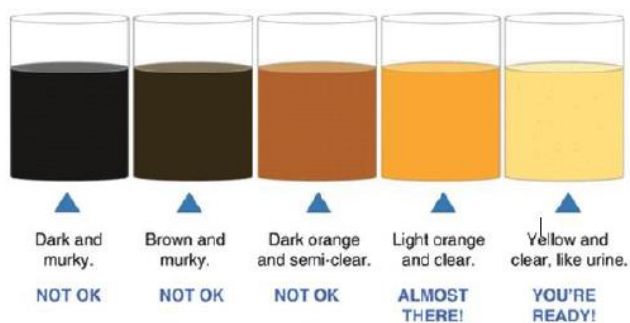

No, red liquids can appear as blood, please **DO NOT** drink red or purple liquids.

○ What if I ate solid food after the timeframe given?

Having a clear colon is key in providing a thorough and accurate exam. Please call the location where your colonoscopy is scheduled to reschedule your appointment.

○ How will I know the prep was adequate

Your bowel movements should go from dark and murky, to yellow and clear, like urine.

I don't have my prep instructions

See link to standard prep instructions here: [Colon Prep Instructions](#)

I took my colonoscopy prep, but nothing happened. What should I do?

Please contact the physician's office that is assigned to your colonoscopy

What qualifies as clear liquids?

Please refer to the [Colon Prep Instructions](#)
